Brithdir lights, a member had bought a 5 foot tree and some lights and this will be set up in order to put up a display. The reason for this was discussed and it was reported tat the shrubs in the areas which had previously been used had been severely cut back and the regrowth would be inadequate to carry the display this year. It was suggested that the regrowth will be inadequate next year too, so it will need to be addressed later in 2019 before the festive season.

It was reported that the Phillipstown school power supply was not suitable for a display. The living tree had been planted and it was hoped that solar lights would be set up hopefully in a few days.

Some email correspondence between the clerk and Elsbury was reported. It was agreed it was disappointing that some of the lights which were relatively new had started to fail. Further details should be requested

NEW TREDEGAR COMMUNITY COUNCIL CYNGOR CYMUNED TREDEGAR NEWYDD

A member raised the issue of the Resource Centre hosting Father Christmas and it was suggested that this should be the responsibility of the Community Council.

An update was given on the Silent Soldier, it was hoped it could be moved into the Winding House building.

It was reported by a member that a resident of Brithdir has commented on issues in the village including the lack of festive lighting and it was commented that they didn't seem aware of the actions that were being taken to set up a tree and lights.

Cllrs reported that a concert had been put on in the residential home by the Music in Hospitals organisation who are a musical group that offer entertainment to the elderly and infirm.
